

Privacy Policy

This policy outlines our ongoing obligations to you in respect of how **Phosphorous Labs Pty Ltd** manages your information as shared in your use of **MapQuiz**, our mobile application.

We have adopted the Australian Privacy Principles (APPs) contained in the Privacy Act 1988 (Cth) (the Privacy Act). The NPPs govern the way in which we collect, use, disclose, store, secure and dispose of your Personal Information.

A copy of the Australian Privacy Principles may be obtained from the website of The Office of the Australian Information Commissioner at www.aaic.gov.au

Personal Information

Personal Information is information or an opinion that identifies an individual, such as names, addresses, email addresses, phone and facsimile numbers. Unless an account is provided for you by your educational institution, MapQuiz does not collect any personal information.

If an account has been created on your behalf by your educational institution, your name and email address are retained by MapQuiz for the purpose of authenticating your account. Your name and email address will not be shared with any third parties except government authorities (if required by law) and the institution that provided them to us in the first place.

Phosphorous Labs Pty Ltd will permanently erase this information from our systems within seven days (168 hours) of receipt of an email to info@mapquiz.co sent from the email address requesting deletion. In plain english, if you'd like abc@xyz.com to be removed from our systems, send an email to info@mapquiz.co from abc@xyz.com and we'll act on that email within seven days.

Sensitive Information

Sensitive information is defined in the Privacy Act to include information or opinion about such things as an individual's racial or ethnic origin, political opinions, membership of a political association, religious or philosophical beliefs, membership of a trade union or other professional body, criminal record or health information. **MapQuiz does not collect any sensitive information.**

Third Parties

MapQuiz uses Google Cloud infrastructure (Google LLC) and Apple's App Store ecosystem (Apple Inc.) for hosting all user data and application distribution, respectively.

Disclosure of Personal Information

Any information collected by MapQuiz will be disclosed to government authorities if required by law.

Security of Personal Information

Personal information is stored in Google Cloud and encrypted using Google's Default Encryption at Rest. Technical details are available at <https://cloud.google.com/docs/security/encryption/default-encryption>.

Policy Updates

This Policy may change from time to time and is available at mapquiz.co.
